

## Foundation Announces \$1.5 Million in Scholarships to Local Students

The Winston-Salem Foundation is pleased to announce scholarship totals for the 2023-2024 academic year: more than **\$1.5 million** has been awarded to **643 local students** seeking postsecondary education in North Carolina, the Southeast, and beyond. These awards were made possible thanks to donations and to the Foundation's **150 scholarship endowment funds**, which have been established by generous individuals, families, and businesses since 1923.

Last month we began **celebrating 100 years** since generous community members first joined together to financially support local students in their quest for higher education. In **October 1923**, just days after the tragic death of a local football player, donations poured in from across the city, and our student aid program was born. In the years since, we estimate that the Foundation's scholarship funds have helped **more than 18,000 local students** pursue higher education.
