The Winston-Salem Foundation’s charitable history and local knowledge run deep. Since our founding in 1919, we’ve partnered with generous community members to build a better future for residents of Forsyth County and beyond. We are a nonprofit community foundation, the oldest foundation in North Carolina, and we consistently rank among the largest community foundations in the United States. We are comprised of hundreds of charitable funds created by individuals, families, and organizations who want to improve the quality of life for those around them. In partnership, we drive meaningful impact by investing in community priorities, providing scholarships and charitable grants, and raising awareness of community issues. More at wsfoundation.org.
